## **VISION STATEMENT**

Protestant Family Service seeks to provide, in a Christian manner, the necessary care and need to the individual that will give hope for a better life.

## **DIRECTOR'S GREETING**

*"He who oppresses the poor taunts his Maker. But he who is gracious to the needy honors Him" -Prov. 14:13 (NASB)*

Having just celebrated the Resurrection of Jesus, we are charged to carry on His work to the ends of the world by spreading the gospel as recorded in Matt. 28:19-20 (NASB). *"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age."*

As well as supporting missions throughout the world, we also have to look at our own neighbors around us. Hunger and need are everywhere. PFS thanks you for your gracious and wonderful support over the last 72 years to our agency. Without you we would not exist and be able to help those in emergency need. God has provided, through you (His working vessels), the food, hygiene and paper products, financial funds for disconnected utilities, life sustaining medication and other projects. *God Bless You!*

\*You have also shown your love of PFS through our many fundraisers which provide income for our families in need. Please continue to participate. Looking forward to seeing you at the following events:

## THOSE WE SERVE

*The clients of the week area a senior couple that came to our agency requesting assistance with their electric bill. They were behind in all of their utilities; however, we could only assist with one.*

*The wife is employed; her husband is in poor health which prohibits him from working and he does not receive financial assistance from the government. PFS was able to pay their electric bill with funds provided by "The Episcopal Diocese of Ohio" which provides funds to the "Elderly in Crisis".*

*The clients said they were extremely thankful for the assistance provided and given with such compassion and understanding. They also were grateful to the organization that provided the resources.
