Dedicated to Christian Love and Service

April 2018

To Whom It May Concern:

Protestant Family Service is a small private non-profit agency serving residents of the Tri-County area and some transients. We provide emergency service by assisting families and individuals with food, utility assistance to prevent disconnection or to restore service.

For seventy-four years (74), churches, church groups, individuals, businesses and organizations in our community have funded Protestant Family Service and its programs through fundraisers and donations. We are not United Way or government funded.

You are invited to once again to be a hole sponsor in this year's tournament. Your help is appreciated.
